

January, 2000

CURRICULUM VITAE

NAME: JOHN PAUL CONOMY, M.D., J.D.
Social Security No. 298-32-6724

OCCUPATION: Neurologist
The Collis Group
Cleveland, Ohio

President, Health Systems Design
Chagrin Falls, Ohio

President, CompEval, Corporation
Chagrin Falls, Ohio

ACADEMIC AFFILIATION:
Clinical Professor of Neurology,
Case Western Reserve University School of Medicine
Cleveland, Ohio

PROFESSIONAL
ADDRESSES:

Clinical Neurology
2709 Franklin Blvd., 4th Floor (216) 363-2200
Cleveland, Ohio 44113 (216) 696-3974 Fax

Health Systems Design, Inc.
CompEval, Inc.
P.O. Box 269 (216) 292-1875 or (888) 929-8885
Chagrin Falls, Ohio 44022 (216) 360-9329 Fax
E-mail: 2BR02B@msn.com

BORN: July 31, 1938, Cleveland, Ohio

EDUCATION:

Primary: Cleveland Public and Parochial Schools
Secondary: St. Joseph High School, Cleveland, Ohio 1952-1956
College: John Carroll University, Cleveland, Ohio 1956-1960
Medical: St. Louis University, St. Louis, Missouri 1960-1964
Legal: Case Western Reserve University, Cleveland, Ohio.
1989-1992
Downing College, Law Faculty, Cambridge University,
England, Summer, 1991
DEGREES: Bachelor of Science (Biology, Chemistry,

Philosophy), cum laude, John Carroll
University, 1960

Doctor of Medicine, St. Louis University,
St. Louis, Missouri, 1964

Doctor of Law (J.D.) Case Western Reserve University
School of Law, Cleveland, Ohio, 1992

FAMILY:

Married: Sharon M. Conomy

Three children: Two sons, John age 34 years and Christopher age 26 years,
and one daughter, Lisa age 31 years.

MEDICAL LICENSURE:

Texas - 1970, No. D8685	(inactive)
Ohio - 1964, No. 28042	
Pennsylvania - 1970, No. 12386-E	(inactive)
Missouri - 1964, No. 29543	(inactive)

CERTIFICATION:

By the American Board of Neurology and Psychiatry (Neurology),
March 1972.

By the American Board of Forensic Medicine, December, 1995.

PRESENT POSITIONS:

Clinical Professor of Neurology, Case Western Reserve University, School of
Medicine, August 1992 -

Adjunct Professor of Law, Case Western Reserve University, School of Law,
August 1992 -

Associate Clinical Professor of Neurology, The Pennsylvania State University,
1989-1992.

President, Health Systems Design, Inc., August 1992 -

President, CompEval, Inc., October 1997 -

CURRENT HOSPITAL APPOINTMENTS:

University Hospitals of Cleveland, Cleveland, Ohio

Benjamin Rose Institute - Margaret Wagner House, Cleveland, Ohio

MetroHealth Medical Center, Cleveland, Ohio

St. Vincent Charity Hospital, Cleveland, Ohio

PROFESSIONAL AND ACADEMIC APPOINTMENTS:

Director, Clinical Neurosciences, Innova Medical Services
September, 1993 - June 1997

Director, Professional Affairs, Innova Medical Services
September, 1993 - June 1997

Chairman, Professional Affairs Committee, Innova Medical Services
January, 1994 - June 1997

Member, Information Systems Committee, Innova Medical Services
January, 1994 - June 1997

Chairman and Training Program Director, Department of Neurology, Cleveland
Clinic Foundation, July 1975 - August, 1992

Founder, The Mellen Center for Multiple Sclerosis Treatment and Research, The
Cleveland Clinic Foundation, July 1984

Founder, The Consortium of Multiple Sclerosis Centers, April 1986

Member, Board of Directors, CMSC, 1986-1994

Chairman, Mellen Center National Advisory Board, 1991 - 1992

Executive Director, The Consortium of Multiple Sclerosis Centers, 1986 - 1993

Attending Physician, University Hospitals of Cleveland, June-November 1968;
Instructor in Medicine (Neurology) Case Western Reserve University.

Consultant in Neurology, Kaiser Permanente Foundation, Cleveland, Ohio (1992)

Attending Physician, Highland View Hospital, Cleveland, Ohio, June-November
1968. Hospital Neurologist, United States Air Force, Sheppard Air Force Base,
Texas, 1968-1970.

- Associate Neurologist, Hospital of the University of Pennsylvania, 1970-1971
- Senior Staff Neurologist, Scott and White Clinic and Hospital, Temple, Texas, 1971.
- Consultant in Neurology, Veterans Administration Center, Temple, Texas, 1971.
- Clinical Attending Neurologist, Parkland Hospital, Dallas, Texas, December 1971-July-1972.
- Clinical Instructor in Neurology, University of Texas Southwestern Medical School at Dallas, Texas, December 1971-July 1972.
- Visiting Lecturer in Neurosciences, University of Texas Medical School, San Antonio, Texas, December 1971-July 1972.
- Assistant Professor of Medicine (Neurology), Case Western Reserve University Medical School, July 1972-1977.
- Attending Neurologist, University Hospitals of Cleveland, Cleveland, Ohio, 1972-
- Member, Board of Governors, Department of Medicine, University Hospitals of Cleveland, 1974-1975.
- Examiner, American Board of Psychiatry and Neurology, 1975-
- Examiner, American Board of Neurological Surgery, 1980-1985
- President, Society of Neuroscience, Cleveland Chapter, 1975-1976, and 1976-1977.
- Reviewer, Postgraduate Medicine, 1975-
- Member, Editorial Board, 1987 -
- Reviewer, Neurology, 1977-
- Reviewer, Cleveland Clinic Quarterly, 1977-
- Reviewer, Neurosurgery, 1979-
- Reviewer, American Journal of Physiology, 1980-1981.
- Reviewer, Drug Evaluation Panel, AMA, 1982, 1986
- Reviewer, Archives of Neurology, 1982-

Reviewer, (Special Reviews) Residency Review Committee in Psychiatry and Neurology, 1983-

Reviewer, Journal of Respiratory Diseases, 1988.

Reviewer, Annals of Internal Medicine, 1992-

Reviewer, The Neurologist, 1997 -

Member, Clinical Research Projects and Institutional Review Committee, Cleveland Clinic Foundation, 1975 - 1978; 1983 - 1989.

Chairman Clinical Research Projects and Institutional Review Committee, Cleveland Clinic Foundation, 1978-1982.

Chairman, Neurosensory Centers Task Force, Cleveland Clinic Foundation, 1982-1987

Reviewer, Health Care Delivery Programs, American College of Physicians, 1984-

Member, Research Program Committee and Neuroscience Study Section, Cleveland Clinic Foundation, 1982-1984.

Consultant, Physician Evaluation Board, Whittaker International Services for Kingdom of Saudi Arabia and United Arab Emirates, 1980.

Member, Physician Evaluation Board, Whittaker Corporation, 1980-1985.

Member, Scientific Advisory Board, Communicative Disorders Foundation, 1980-

Member Royal College of Medicine, London, England, (Visiting Member), 1982-3.

Conference Participant, Health Services Utilization Study, Rand Corporation, Santa Monica, California, June 1984.

Medical Advisor, Huntington's Disease Foundation, Cleveland, 1984 - 1987

Medical Director, Huntington's Disease Foundation, Cleveland, 1997 -

Member, Biotechnology Advisory Board, State of Ohio (Gov. Richard Celeste, David Jackson, Ph.D., M.D., Health Director) 1983-85

Participant, Manpower in Neurology Conference, San Diego, California, 1985.

Member, Advisory Board, International Health Resources Corporation, 1985-1989

Member, Task Force on Fund Raising, Cleveland Clinic Foundation, 1985-1987

Chairman, Neuroscience Council, Cleveland Clinic Foundation, 1986-1988

Founding Member, International Society for Technology Assessment in Health Care, 1986.

Founding Member, Society for Neurologic Education, 1989-

Member, Editorial Board, Journal of Neurorehabilitation, 1986 - 1991

Member, Editorial Board, Surgical Neurology, 1988 - 1990

Member, Editorial Board, Postgraduate Medicine, 1986 - 1990

Member, Editorial Board, Cleveland Physician, 1988 - 1990

Member, Editorial Board, Consult International (CCF), 1989 - 1992

Member, Editorial Board, (Associate Editor) Health Matrix (Health-Law Review, Case Western Reserve University), 1990 - 1992

Member, Editorial Board, Cleveland Clinic Journal of Medicine, 1990 - 1992

Member, Editorial Board, Journal of Clinical Neurology (Founding member) 1993-

Invited Member, Medical Advisory Panels to Administrative Law Judges, Department of Health and Human Services, U.S. Government, 1989-

Invited Medical Expert, Attorney General's Office, State of Ohio, 1988-

Member, Advisory Board for Neuroscience, Republic of Singapore, 1992 - 1994

Director, The Ronald and Patti Rosenfeld International Fellowship (Health Care Training) 1989-1992

Consultant, The Phoenix Alliance, Inc. (International Health Care) 1992 -

Consultant (Health Law) Professional Management Training Courses. Cleveland Clinic Foundation, 1993 (Philip Ballin, M.D. MBA)

Consultant, United States Federal Trade Commission, 1994 -

Member, Accreditation Appeals Panel (Neurology), Accreditation Council for Graduate Medical Education (ACGME), 1994 -

Director, Ethics Committee, Aristocrat Extended Care Facilities, Cleveland, OH, 1996 -

PROFESSIONAL TRAINING:

Student Research Fellow in Neurology, St. Louis University, 1963, 1964.

Intern in Straight Medicine, St. Louis University Hospitals, St. Louis, Missouri, 1964.

Resident in Neurology, University Hospitals of Cleveland, Cleveland, Ohio, 1965-1968.

Fellow in Neuropathology, Cleveland Metropolitan General Hospital and Case Western Reserve University, Cleveland, Ohio, 1968.

Career Teaching Fellow, Department of Medicine, Case Western Reserve University, 1970, (at the Institute of Neurosciences, University of Pennsylvania).

Graduate Student, Case Institute of Technology, Case Western Reserve University, Department of Operations Research, 1976-77

Harvard University, School of Public Health, Program for Chiefs of Clinical Services, November 1978; February 1983.

Massachusetts Institute of Technology, Program in Health Care Technology Assessment, June 1985.

Harvard University, Schools of Business and Public Health, Advanced Program for Chiefs of Clinical Services, February 1986.

Case Western Reserve University School of Law (full-time student), January 1989 - May 1992

PROFESSIONAL AWARDS:

Alpha Omega Alpha (Alpha of Ohio) Medical Honor Society.

Francis M. Grogan Prize in Psychiatry, St. Louis University Medical School, 1964.

Clinical Teacher of the Year Award, University Hospitals of Cleveland, 1973.

Fellow, American College of Physicians, 1974-
American Men and Women of Science, 1976-
Who's Who in America, 1990-
Who's Who in the Midwest, 1977-
Who's Who Among American Law Students, 1990-1992.
Who's Who in American Science and Engineering, 1991-
Who's Who in American Education, 1993-
Fellow, American Academy of Neurology.
Fellow, Stroke Council, American Heart Association.
Fellow, American College of Legal Medicine, 1992
Fellow, American College of Physicians, 1973
Fellow, American College of Forensic Examiners, 1994
Fellow, American Board of Forensic Medicine, 1998
Member, American Neurological Association, 1980
Honorary Consultant (Neurology), Tower Hamlets Health
Authority, London, England 1982-1983.
Fellow, Royal Society of Medicine (London, England), 1983
Directory of International Biography (Cambridge University, England), 1990.
Honorary Member, Canadian Neurological Society, July 1984-
Member, The Worshipful Society of Apothecaries of the City of
London, 1985-
Member, The Institute of Clinical Neurosciences (London), 1987-
The Hope Award, National Multiple Sclerosis Society, 1989
State of Ohio Attorney General's Certificate of Appreciation, 1990

Man of Vision Award, Consortium of Multiple Sclerosis Centers, Victoria, British Columbia, September 1993

Lifetime Achievement Award, Consortium of Multiple Sclerosis Centers, Cleveland, Ohio, October 1998.

RESEARCH AWARDS:

Co-Investigator, Department of Neurosurgery, V.A. Hospital, Cleveland, Ohio, 1972-1975. (Modulation of Activity in Pain Pathways Project).

Senior Investigator, "Quantization of Cutaneous Sensation", V.A. Hospital, Cleveland, Ohio, 1974 (V.A. Grant #1539-01).

Grant-in-Aid Award, Mary B. Lee Fund, August 1974 (Sensory Studies in Diabetes Mellitus).

Grant-in-Aid Award, Reinberger Foundation (for neurophysiologic and behavioral research), January 1976, January 1977, January 1978, January 1979, January 1980, January 1981, January 1982.

Senior Investigator, Neurosciences Research Program, Cleveland Clinic Foundation, 1975 - 1992

Grant-in-Aid Award, Mellen Fund (for neurophysiologic and behavioral research), January 1976.

Co-Investigator, "Neurogenic factors in the pathogenesis of arterial hypertension (Project 6)", National Institutes of Health, HL6835, 1978.

Senior Investigator, "Efficacy of indoramin in the prophylaxis of migraine headaches", Wyeth Corporation, 1977.

Co-Investigator, "Efficacy of guanabenz in the prophylaxis of migraine headaches", Wyeth Corporation, 1977.

Senior Investigator, "Anatomic identification of vasoactive pathways in the brain utilizing kainic acid", 1979-1981.

Senior Investigator, "Cutaneous sensory disturbances and neuropathy in individuals with cystic fibrosis", 1979 - 1983

Senior Investigator, "Guanabenz in migraine headaches" Parallel, double-blind, multi-institutional trial in the prophylaxis of migraine headaches", Wyeth Corporation, 1979-1982.

Senior Investigator, "The effect of automated pump delivered insulin treatment upon peripheral nerve function in adult patients with insulin dependent diabetes mellitus", 1980 - 1985

Senior Investigator, "Ticlopidine Hydrochloride: A clinical trial in patients with cerebral or monocular ischemic attacks", Syntex Corporation, 1983-

Co-Investigator, "Randomized controlled clinical trial of cyclo-protin (PGI₂) in acute thromboembolic strokes and embolic strokes in cardiac origin", The Upjohn Company, 1983-84.

Senior Investigator, "The safety and efficacy of oral administration of Tolrestat in the treatment of symptomatic diabetic peripheral and sensorimotor polyneuropathy", Ayerst Corporation, 1983-1985.

Awardee, The Mellen Foundation, for establishment of the Mellen Center for Multiple Sclerosis Treatment and Research at the Cleveland Clinic Foundation, 1984-

Co-Investigator, NIH-NHLBI-HL06855-26, Neuroanatomy of Brainstem Cardiovascular Systems, with C.M. Ferrario and K.L. Barnes.

Principal Investigator, Preliminary Study for Data-Base in Multiple Sclerosis, National Multiple Sclerosis Society, United States, 1988-1990.

Member, Advisory Board: "Low Dose Oral Methotrexate in Chronic Progressive Multiple Sclerosis Study" (D. Goodkin, PI) National Multiple Sclerosis Society (USA) 1990 - 1992

MAJOR LECTURESHIPS AND VISITING PROFESSORSHIPS:

Recipient and Co-executor, "Rosenfeld International Fellowship in the Neurosciences" Annual Scholarship, Cleveland Clinic Foundation, 1990 -

Visiting Professor of Neurology, Memorial Medical Center, Savannah, Georgia, 1973, 1977, 1979, 1980, 1981, 1983, 1985, 1987, 1989, 1991, 1992

Visiting Professor of Neurology, Bethesda Naval Hospital, December 1973, 1978.

Visiting Neurologist, Department of Neurology, St. Louis University, April 1974, August 1983.

Guest Lecturer, Case Western Reserve University School of Applied Sciences, October 1975.

Guest Lecturer, American Psychiatric Association, Western New York Meeting, January 1976.

Guest Lecturer, Children's Hospital-SUNY, Buffalo, New York, January 1976.

Visiting Professor, University of Oklahoma, Department of Medicine, 1976.

Invited Lecturer, Cleveland Academy of Medicine and Planned Parenthood Association, "Symposium on Oral Contraceptives", April 1976.

Visiting Professor, University of Arizona, Department of Neurology, 1977.

Visiting Neurologist, The London Hospital-University of London, July 1977.

Invited Speaker, International Neurosurgical Conference on Vascular Malformations of the Brain, Cleveland, February, 1977.

Visiting Neurologist, Salpetriere, Paris, France, August 1977, June 1980.

Visiting Professor, University of Illinois, Rockford Medical School, June 1978.

Visiting Professor, Medical College of Virginia, September 1973.

Invited Speaker, American College of Physicians, San Francisco, March 1979.

Visiting Professor, Uniformed School of Medical Sciences and Bethesda Naval Medical Center, June 1979.

Visiting Neurologist, Washington University, St. Louis, Missouri, August 1979.

Visiting Professor, University of Rochester, September 1979, June, 1988.

Invited Speaker, Virginia Heart Association, October 1980.

Pfizer Lecturer in Clinical Pharmacology, University of Oklahoma, 1980.

Member, Organizing Committee, First International Brain-Heart Symposium, Jerusalem, October 1980, Second International Brain-Heart Symposium, Jerusalem, June 1983, Third International Heart-Brain Symposium, Trier, Germany, 1985.

Visiting Professor of Neurology, Medical College of Georgia, 1980.

Visiting Professor of Neurology, University of Western Ontario (London), March 1981.

Visiting Professor of Neurology, Brooke Army Medical Center, San Antonio, Texas, January 1981.

Visiting Professor of Neurology, George Washington University, Washington, D.C., April 1981.

Visiting Professor of Neuro-Ophthalmology Society, Washington Medical Center, Washington, D.C., April 1981.

Invited Lecturer, VIII International Congress of Thrombosis and Hemostasis, Toronto, July 1981.

Visiting Professor of Neurology, Bowman-Gray Medical School, Wake Forest University, Winston-Salem, N.C., August 1981.

Invited Lecturer, International Symposium on Neurogenic Hypertension, Pittsburgh, September 1981.

Visiting Professor of Neurology, Veterans Administration, Regional Medical Educational Program, Hampton VA Hospital, University of Eastern Virginia, April 1982.

Visiting Professor of Neurology, Veterans Administration Hospital, Montgomery, Alabama, April 1982.

Guest Lecturer, Cook County Graduate Medical School, October 25-29, 1982, September 1984.

Visiting Neurologist, Michael Reese Hospital and Medical Center, Chicago, October 27, 1982.

Visiting Neurologist, Billings Hospital and University of Chicago, October 28, 1982.

Invited Lecturer, Inaugural Address, Mexican Academy of Neurology, Morelia, Mexico, November 1982.

Visiting Professor of Neurology, London Hospital Medical School and The London Hospital, London, England, November 1982-March 1983 (sabbatical), October 1985.

Visiting Professor of Neurology, University of Louvain, Belgium, May 1983.

Visiting Professor of Neurology, Radcliffe Infirmary and Oxford Neuroscience Group, Oxford University, Oxford, England, February 1983.

Visiting Neurologist, Atkinson Morely's Hospital and St. George's Hospital Medical School, London, England, January 1983.

Visiting Scholar, King Edward's Fund College, London, England, November 1982 - March 1983.

Honorary Consultant, The London Hospital and Tower Hamlets Health District, London, England, November 1982-March 1983.

Visiting Neurologist, Exuma and Ragged Islands Medical District, Bahamas, March 1983.

Invited Speaker, Japanese Stroke Society, Tokyo, Japan, May 1984.

Visiting Professor, National Center for Nervous, Mental and Muscular Disorders, Tokyo, Japan, May 1984 (Prof. Satoyoshi).

Visiting Professor, Kitano Hospital, Kyoto University, Kyoto, Japan, May 1984 (Prof. Imae).

Visiting Professor, Neurological Institute, Kyushu University, Fukuoka, Japan, May 1984 (Prof. Kuroiwa).

Invited Speaker, Kyushu Cerebrovascular Disease conference, Fukuoka, Japan, May 19, 1984.

Invited Lecturer, Canadian Congress of Neurological Sciences, Edmonton, Alberta, Canada, June 1984.

Invited Speaker, Cerebrovascular Disease Conference, University of Wisconsin, October 1984.

Visiting Professor, Uludag University, Bursa, Turkey, Fall 1985.

Invitee, Hughlings Jackson Commemorative Symposium, London, October-November 1985.

Invited Speaker, American College of Physicians, Annual Update in Neurology, Washington, D.C., March 1985.

Organizer and Speaker, "Controversies in the Management of Stroke", American Academy of Neurology, Dallas, April 1985.

Invited Speaker, National Multiple Sclerosis Society, "The Role of the Major Clinics in MS Care", Dallas, 1985.

Invited Speaker, Neurologic Interliaison Group Manpower Seminar, "Medical Manpower: The Viewpoints of the Medical Specialty Societies", San Diego, June 1985.

Invited Speaker, Cleveland Clinic Foundation-Uludag University Medical Symposium. "Neurologic Effects of Hypertension", Bursa, Turkey, September 1985.

Speaker, "The Neurosciences", Cleveland Clinic Foundation Alumni Course, September 1985.

Invited Speaker, "The Neurology of Aging", St. Alexis Hospital (Cleveland) Greater Cleveland Seminar, September 1985.

Invited Speaker, "Update on Parkinsonism", Deaconess Hospital (Cleveland) Update in Medicine Course, September 1985.

Organizer and Speaker, "Neurologic Diseases", Chaplaincy Program, Cleveland Clinic Foundation, October 1985.

Organizer and Speaker, National Huntington's Disease Foundation Postgraduate Course, Cleveland Clinic Foundation, July 9, 1985.

Invited Speaker, Eastside Multiple Sclerosis Group, Cleveland, "The Mellen Center", November 12, 1985.

Invited Speaker, Akron-Canton Multiple Sclerosis Society Group Annual Dinner, "The Mellen Center", November 14, 1985.

Invited Speaker, Northwest Ohio Multiple Sclerosis Society Group, "The Mellen Center", February 13, 1985.

Invited Speaker, Memorial Hospital, Savannah, Georgia, "Carotid Endarterectomy", March 14, 1985.

Invited Speaker, Memorial Hospital, Savannah, Georgia, "Multiple Sclerosis", March 15, 1985.

Invited Speaker, Euclid, Ohio Multiple Sclerosis Society Chapter, "The Mellen Center", April 3, 1985.

Invited Speaker, North Olmsted Multiple Sclerosis Society Group, "The Mellen Center", April 15, 1985.

Invited Speaker Westside Cleveland Multiple Sclerosis Society Chapter, "The Mellen Center", May 20, 1985.

Invited Speaker, Medina, Ohio Multiple Sclerosis Society Chapter, "The Mellen Center", August 19, 1985.

Invited Speaker, Loyola University, Chicago, Illinois, "Nervous System Regulation of the Cardiovascular System", September 1985.

Invited Speaker, London Hospital, Whitechapel, London, England, October 1985. Association of British Neurologists - American Neurological Association Joint Meeting, October 1985.

"Cardiovascular Neurobiology and Clinical Medicine", October 24, 1985. Visiting Professor, Memorial Medical Center, University of Georgia, Savannah, Georgia, March 1985.

Visiting Professor, Loyola University School of Medicine, Chicago, Illinois, September 1985.

Visiting Professor, University of London, The London Hospital, London, England, October 1985.

Scientific Advisory Committee, member, III International Brain Heart Symposium, Trier FDR, September, 1985.

Attendee, Case Western Reserve University Course, "Managing Complex Groups", Cleveland, February 1985.

Attendee, Case Western Reserve University Course, "Strategies for Cost-Based Services", Cleveland, March 1985.

Attendee, Massachusetts Institute of Technology Course, "Medical Technology Assessment", Boston, Massachusetts, June 1985.

Invited Speaker, Philadelphia Neurologic Society, "The Greening of American Neurology", January 15, 1986.

Visiting Professor, Letterman Army Medical Center, Presidio of San Francisco, California, February 1986.

Attendee, Harvard School of Public Health Office of Continuing Education, Advanced Program for Chiefs of Clinical Services, February 1986.

Visiting Professor Neurology, Albert Einstein College of Medicine, New York, New York, March 26, 1986.

Invited Speaker, Southern California, Kaiser-Permanente Medical Group, Neurology Symposium, Anaheim, California, April 5, 1979.

Invited Speaker, The Role of Non-Physician Health Care Providers in Neurology, American Academy of Neurology (Special Courses), May 1986, New Orleans.

Invited Speaker, Johns Hopkins University, "Clinical Neuroscience Practice", October 1986.

Visiting Professor, Christian Medical College, Vellore, Tamil Nadu, India, November, 1986.

Visiting Professor, National Institute of Mental Health and Neurological Science, Bangalore, India, November, 1986.

Visiting Professor, University of Istanbul, Cappa Faculty, November, 1986.

Invited Speaker, Congress of Neurological Surgeons, New Orleans, September, 1987.

Guest Speaker, American College of Physicians, San Francisco, October, 1987.

Keynote Speaker, Multiple Sclerosis Consensus Conference, "Symptomatic Care of Health Care Systems", Teaneck, New Jersey, April 1988.

Invited Speaker, Department of Health and Human Services (Health Care Financing Administration), "Health Care Improvement and Medical Liability", Washington, D.C., April 27, 1988.

Invited Speaker, Contemporary Clinical Neurology Symposium, (Vanderbilt University), Hilton Head, South Carolina, July, 1988.

Invited Speaker and Conference Organizer, "Clinical Neurosciences Update", Intermed, Istanbul, Turkey, June, 1988.

Speaker, European Congress of Neurology, "Multiple Sclerosis", Nice, France, June, 1988.

Invited Speaker, Conference Organizer and Guest Expert, "Neurosciences", Health Ministry, Republic of Singapore, August, 1988.

Course Director, "Surgical Problems in Neurology", American Academy of Neurology Meeting, Chicago, Illinois, Spring, 1989.

Visiting Professor of Neurology, Baystate Medical Center (Tufts University), June 1989.

Visiting Professor of Neurology, Rogue River Medical Center, Medford, Oregon, July 1989.

Visiting Professor, Internal Medicine Program, University of Hawaii, August 1989.

Guest Lecturer, Cleveland Clinic Florida, August, 1989.

Speaker, Clinical Neuroscience Society, Zermatt Switzerland, February 1990. "Interpersonal Violence in Chronic Illness".

Speaker, Consortium of Multiple Sclerosis Centers, Denver, Colorado, May, 1990. "Domestic Violence in Multiple Sclerosis: The Caliban Syndrome".

Invited Speaker, "Drug Treatment in Multiple Sclerosis". American Academy of Neurology, Special Courses, Miami, Florida, April 1990.

Visiting Professor, University of Dublin, Dublin, Ireland, August 1990.

Visiting Professor, University of Galway, Galway, Ireland, August, 1990. "Comprehensive Treatment in Multiple Sclerosis".

Keynote Speaker, The Gimbel Multiple Sclerosis Center, Medical and Dental College of New Jersey, April 25, 1991.

Co-Instructor: "Contemporary Problems in Health Care." (Law School Course) Case Western Reserve University, Spring 1991, 1992.

Organizer and Keynote Speaker, Consortium of Multiple Sclerosis Centers International Meeting. Halifax, Nova Scotia, June 1991.

Invited Lecturer, University College, Galway, Republic of Ireland: "Termination of Life Support Systems and The Common Law", July 1991.

Invited Lecturer, Institute Paul Broca INSERM, Paris, France, "Life Support Systems Termination: An International View", August 1991.

Organizer and Speaker, Consortium of Multiple Sclerosis Centers Annual Educational Meeting, New York, NY, June 1992.

Invited Speaker, Annual Medical Institutes for Law Faculty, Cleveland State University, Cleveland, Ohio, 1991, 1992.

Invited Speaker, Leadership Conference, National Multiple Sclerosis Society, Baltimore, MD, June 1992.

Visiting Professor, St. Joseph Hospital Medical Center, Ann Arbor, Michigan, September 1992.

Visiting Professor of Medicine, Harper Hospital/Wayne State University, Detroit, Michigan, November 1992.

Guest Faculty, Weatherhead School of Management, Case Western Reserve University - Cleveland Clinic Foundation Management Training Courses, January 1992 - 1993 (Health Law).

Invited Speaker, "The Law of Erotic and Sexual Contact between Patients and Physicians," Syntex Corp. OB/GYN Meeting, Atlanta, GA, February 1993.

Keynote Speaker. "Cerebrovascular Disease as a Woman's Health Issue" Governor's Conference on Women, Baton Rouge, LA, February 1993.

Visiting Professor of Neurology, Berkshire Medical Center/University of Massachusetts, February 1993, "The Legal Duty of Care to Epileptic Drivers: The SCUD syndrome."

Invited Speaker, Controversies in Health Care, The American Academy of Neurology Annual Meeting, Spring, 1992, Toronto "Ownership of Diagnostic Laboratories: A Consideration of the Law of Medical Fraud and Medicare Abuse."

Invited Speaker, Controversies in Health Care, The American Academy of Neurology, Spring, 1993, New York City, "United States Health Policy: Lessons from the Canadian Health Care System".

Invited Participant, "Justice and Health Law Conference", Kings College, London, U.K., March 1993.

Visiting Professor, Nassau Co. Medical Center, SUNY, May 1993.

Attendee, The Charcot Centenary Meeting, Paris, France, June 1993.

Invited Participant, National Stroke Trial Conference (Syntex Corp.), Lake George, New York, August 1993.

Guest of Honor, Consortium of Multiple Sclerosis Centers Annual Meeting, Victoria, British Columbia, Canada, September 1993.

Visiting Professor, University of Syracuse, SUNY, Syracuse, New York, October 1993.

Visiting Professor, Texas Tech University School of Medicine, Lubbock, Texas, May 1994.

Visiting Professor, Medical University of South Carolina, October, 1994

Lecturer, Health Law, Cleveland State University, October, 1994

Visiting Professor, Texas Tech University Medical School, El Paso, Texas, December, 1994.

Visiting Professor, University of Massachusetts, January, 1995.

Graduation Speaker (Medical Graduates), Memorial Hospital, Savannah, Georgia, June, 1995

Guest Lecturer, John Marshall Law School, Cleveland State University 1994, 1995, Health Law

Director, "The Health Care Revolution," American Public Radio; 1995, 1996, New York

Consultant, "Professional Staff-Organization and Function," Memorial Medical Center, Savannah, Georgia, 1995-1996

Invited Speaker, "Managed Care," World Federation of Neurology, Athens, Greece, October, 1996

Visiting Professor, The Faculty of Medicine, University College, Galway, Republic of Ireland, Sept., 1997

Visiting Professor, Mercer University - Memorial Medical Center, Savannah, Georgia, March 1998.

Visiting Professor, University of Illinois, VAMC, Danville (Champaign-Urbana) April 1998.

Co-director, American Academy of Neurology of Special Course "A Displaced Bostonian's View of Neurology: Conversation with Joseph Michael Foley with Robert O'Hara, M.D., Minneapolis, Minnesota, April 1998

Lecturer: The International Churchill Society, "The Founding of the National Health Service (NHS): Where was Winston Churchill?" Cleveland, OH May 1998

Guest Lecturer in Neurology, Ohio College of Podiatric Medicine, 1993

Speaker, "Huntington Disease," Public Broadcasting Systems/WCPN
Cleveland, Ohio, October 1998

Invited Speaker, Hunter's Run Medical Law Symposium, Boca Raton, Florida,
November 1998

Invited Lecturer, Walsh University, Canton, Ohio, "Multiple Sclerosis." March
1999

Invited Speaker, "Driving and Epilepsy," Ohio State University, May 1999

Invited Speaker, Huntington Disease Society of America, Cleveland, May 1999

MILITARY SERVICE:

United States Air Force 1968-1970, U.S.A.F., Junior Officer Award, 1969, Air
Force Commendation Medal, 1970.

DOCTORAL (Ph.D.) COMMITTEES/ADVISORSHIPS:

Joe Jabailly, Ph.D., M.D.
Department of Anatomy,
Case Western Reserve University, 1975.

Stephen Collins, Ph.D., M.D.
Department of Anatomy,
Case Western Reserve University, 1978.

SOCIETY MEMBERSHIPS AND MEDICAL ORGANIZATION ACTIVITY:

Accreditation Council for Graduate Medical Education Appeals Council 1994 -

American Academy of Neurology, 1966-
Ethics Committee, 1973-
Chairman, Ethics Committee, 1973-1977
Membership Committee, 1973-1977
Chairman, Membership Committee, 1977
Chairman for Associate Membership, 1973-1977
Assistant Secretary-Treasurer, 1977-1981

Editor, ANN Newsletter, 1979-1985
Code of Ethics Work Group, 1993
Practice Committee, 1977-1989
Non-Physician Health Care Professional Committee, 1981-1985
Chairman, Council on Communications, 1983-1985
First Vice-President, 1983-85
Chairman, Legislative Council, 1985-1989
Member, Practice Committee, 1983-1989
Member, Nominating Committee, 1988
Member, Technology Assistance Committee
Member, History Section
Member, Movement Disorders Section

American Association for the Advancement of Science, 1976-1990

American Association for the History of Medicine, 1976-

American Association of Neurological Surgeons, Associate Member 1982-1990
Associate Membership Board, 1982-1987

American Bar Association Student member 1989 -
Associate member 1994 -
Member - Section on International Law 1989-1992
Member - Section on Health Law

American College of Legal Medicine, Member, 1992
Fellow, 1992
Member - Regulation and Bylaws Committee, 1999

American Board of Forensic Examiners, 1994-
Fellow, 1995
Member, Medical Committee, 1995-

American College of Physicians 1974 -
Fellow 1975 -

American Electroencephalographic Society, 1976-

American Group Practice Association, 1990-1991
Member, Legislative Affairs Committee 1990-1991

American Medical Association
AMA Section Council on Neurology, 1977-1981
Vice Chairman/Secretary, AMA Section Council on Neurology,
1979-1981

Delegate, Health Policy Agenda for the American People, 1983
Consultant, AMA DATTA Program (Technology Assessment), 1988

American Neurological Association

Chairman, Public Relations Committee, 1981-1983

Member, Honorary Membership Committee, 1986-1988

Liaison Member, Ethics Committee, 1991

American Society of Law Medicine, and Ethics, 1990-

Association for Research in Nervous and Mental Disease, 1976-

Association of University Professors of Neurology, 1975 - 1990

Behavioral Neurology Society (founding member), 1982-

Bell County (Texas) Medical Society, 1971-1972

Canadian Neurological Association, Honorary Member, 1984-

Center for Achievement for Children, Cleveland

Member, Board of Trustees, 1990 - 92

Keynote Speaker, 1990

Cleveland Academy of Medicine, 1966-

Member, Bioethics Committee, 1988-

Member, Editorial Board, The Cleveland Physician, 1987-

Member, Academy of Medicine/Cleveland Bar Association Task Force on
Life Sustaining Medical Treatment Committee 1990.

Member, Medicolegal Committee, 1995.

Chairman, Medicolegal Committee, 1997.

Member, Liason Committee, Cleveland Bar Association - Cleveland
Academy of Medicine, 1997.

Cleveland Medical Library Association, 1980-

Trustee, 1980-1991

Chairman, Publications Committee, 1984-7

Member, Joint Executive Council, Cleveland Health Sciences Library

Member, Executive Committee, 1984-1986, 1988, 1989, 1990

Chairman, Fund Raising Committee, 1987-1991

Member, Fund Raising Committee, 1991

Life Fellow, 1993

Clinical Neuroscience Society, 1986.

Secretary, 1988

Program Chairman, 1992-1993

President-Elect, 1992

Consortium of Multiple Sclerosis Centers (Founder)
Board of Directors (founding member) 1986-
Executive Director, 1986-1993

Council of Medical Specialty Societies, AAN Representative 1976 - 1994
Chairman, Health Care Delivery Committee, 1979-1981
Chairman, By-Laws Committee, 1981-1982
Member, Committee on Graduate Medical Education, Health Manpower,
1984 - 1988
Chairman, Ad Hoc Committee on Technology Assessment, 1985 - 1986
Member, Health Manpower Committee, 1985 - 1986
Member, Long Range Planning Committee, 1988 - 1990
Member, Steering Committee, Health Care Delivery, 1988
Member, Steering Committee, Graduate Medical Education
Chairman, Medical Education Committee, 1989 - 1990
Member, Organizational Internal Review Committee, 1989 - 1990
Member, Nominating Committee, 1992
Member, Board of Directors, 1992 - 1994
Chairman, Legislation/Health Policy Committee, 1993

Deaconess Hospital of Cleveland
Member, Quality Assessment Committee - 1994

Fellow, Royal Society of Medicine, London, 1983
Member, Section of Neurology, RSM, 1983

Founding Member: The Society for Neurologic Education, 1989

Innova Medical Services 1994 - 1997
Chairman, Professional Affairs Committee, 1994 - 1997.
Member, Information Committee - 1994 - 1997.
Member, Transition Committee - 1994 - 1997.
Member, Board of Directors (ex officio), 1994 - 1997.

The Institute of Clinical Neurosciences, London, England
Member, 1986 - 1992

International Association for the Study of Pain

International Churchill Society, 1988-

International Federation of Multiple Sclerosis Societies 1989
Member, International Medical Advisory Board 1990-1992.

International Medical Scholars Program (ECFMG)

Member, Board of Directors, 1987 -

Vice President, 1990 -

President-elect, 1990 -

President, 1991

Member, Committee of Clinical Education Continuum, CWRU Medical School,
1983-1984

National Multiple Sclerosis Society (USA)

Member, National Medical Advisory Board, 1985-

Member, Educational Committee, 1986

Chairman, Health Services Research Committee, 1986-1990

Member, Data Base Committee, 1986-1988

Recipient, NMSS Hope Award, 1989

Northern Ohio Neurologic Society 1973-1980

Ohio State Bar Association (Student member) 1989 - 1992

Associate Member 1992 -

Ohio State Medical Association

Ohio State Medical Board, Consultant, Physician Competency, 1992

Phase III Options Committee, (4th Year Medical Curriculum), Case Western
Reserve Medical School Chairman, 1981-1982

Society of Clinical Neurologists

Councilor, 1976-1979

Program Chairman, 1982

President, 1992

Society of Neuroscience

President Cleveland Chapter, 1975-1979

Texas Medical Association, 1971-1972

The Worshipful Society of Apothecaries of London, 1986-
