Diplomate, National Board of Medical Examiners - July 1985

American Board of Surgery; No. 36912, December 1991, Recertification 2001

Certificate of Added Qualifications in Surgical Critical Care; No. 046840, Jan 1993

EDUCATION:

Boston University Six Year Combined Liberal Arts-Medical Education- BA, 1983  
Minor-Psychology  
Major-Medical Science  
Boston University School of Medicine - MD, 1983

POSTGRADUATE TRAINING:

Trauma Research Fellowship, Brown University/Rhode Island Hospital Providence, RI  
Under Direction of Donald S. Gann, M.D., 1985-1987

Brown University/Rhode Island Hospital, Providence, RI  
Intern & Junior Resident in Surgery, 1983-1985  
Senior Resident in Surgery, 1987-1990

CURRENT APPOINTMENTS:

Medical College of Virginia:

1998-present Professor of Surgery  
Chief, Section of General and Endoscopic Surgery Director,  
MCV Center for Minimally Invasive Surgery

PAST APPOINTMENTS:

1998 Associate Professor of Surgery  
Boston University School of Medicine  
Chief, Section of Gastrointestinal Surgery  
Director, Center for Minimally Invasive Surgery

Medical College of Virginia:

1997	Associate Professor of Surgery
1996-7	Vice Chairman, Department of Surgery, and Residency Program Director in Surgery
1995	Director, MCV Center for Minimally Invasive Surgery <a href="http://www.lesspainsurgery.com">www.lesspainsurgery.com</a>
1992-3	Director, Trauma Service
1990	Assistant Professor of Surgery Division, Trauma/General Surgery
1990-5	Assistant Director, Surgery / Trauma Intensive Care Unit

ACADEMIC AND PROFESSIONAL ASSOCIATIONS

American College of Surgeons' Committee on Operating Room Environment (CORE), October 2001

Obesity-Biology Club, 2001

American Society for Bariatric Surgery, 1999  
Program Committee, 2001

Society of American Gastrointestinal Endoscopic Surgeons, 1995

Society for Surgery of the Alimentary Tract, 1995

Virginia Gastroenterological Society, 1995

Fellow, American College of Surgeons, 1993

Richmond Surgical Society, 1993-6

Virginia Surgical Society, 1992

American Association for the Surgery of Trauma, 1992

Member, Virginia Chapter of the American College of Surgeons Committee on Trauma, 1992-3

Shock Society, 1992-5

AWARDS AND HONORS:

Accepted by the National Registry of Who's Who as a Life Member in recognition of exemplary service, both to community and to profession, Patchogue, New York, May, 2000.

Recipient, Medical College of Virginia, Department of Surgery

First Annual Arnold Salzberg Memorial Chief Residents' Award for Excellence in Teaching, 1997

Recipient, Medical College of Virginia, Department of Surgery  
Chief Residents' Award for Excellence in Teaching, 1992.

Recipient, American Association for the Surgery of Trauma,  
Davis and Geck Research Scholarship Award; 1991-1992.

Brown University Dept of Surgery  
Resident Teaching Award, 1990.

Haffenreffer Research Fellowship in Medical Sciences at Brown University, 1985-7  
First Place Winner - Clinical Research Award  
American College of Surgeons - Committee on Trauma  
National Residents Paper Competition  
San Diego, CA March 1987

Haffenreffer Scholarship for Research in Surgery  
Haffenreffer Family Fund/Brown University  
1985-1986, 1986-1987

Region I Winner (New England)  
American College of Surgeons - Committee on Trauma  
National Residents Paper Competition  
Dallas, TX - March 1985

Charles River District Scholarship for Medical Education. 1980-1981, 1981-1982

**Extramural Grant Funding.**

**Principal Investigator:**

**Current Grant Funding:**

1. Is Cholesterol Gallstones a Bacterial Disease?  
Principal Investigator: Phillip B. Hylemon, Ph.D.

Co-Investigator: Eric J. DeMaria, M.D.

Funded: Commonwealth Health Research Board - \$79,494

2. Minimally Invasive Surgery Center of Excellence  
United States Surgical Corp.  
Award: 1999 \$3,000,000

Studies completed:

1. An international multi-center, double-blind, randomized, placebo controlled study of the effect of continuous administration of Exosurf in patients with sepsis-induced ARDS.  
Sponsor: Burroughs-Wellcome, Inc.  
start: December, 1991 \$122,300  
*Results published in the New England Journal of Medicine, 1996 (ref. 35)*
2. An international multi-center, double-blind, randomized, placebo controlled study of the effect of continuous administration of Exosurf in patients with trauma-induced ARDS. Sponsor: Burroughs-Wellcome, Inc.  
start: January, 1993 \$137,000
3. A randomized prospective double-blind study to evaluate the efficacy of Trospetomycin in the treatment of intra-abdominal infection. Sponsor: Upjohn, Inc.  
start: July, 1992 \$35,000
4. Study to evaluate the safety and efficacy of human recombinant interleukin-1 receptor antagonist in patients with severe sepsis. Sponsor: Synergen, Inc., Boulder, Co.  
start: July, 1993 \$110,000  
*Results submitted to Critical Care Medicine, 1996*
5. A double-blind, placebo controlled, multicenter study of fluconazole in the prevention of fungal infections in surgical patients at high risk of developing candidiasis. Sponsor: Pfizer, Inc.  
start: July, 1992 \$101,520
6. C-52-A 103: A pilot multicenter, double-blind, placebo controlled, rising dose tolerance study of C-53 in patients with Adult Respiratory Distress Syndrome. Sponsored by The Liposome Company, 1 Research Way, Princeton Forrestal Center, Princeton, NJ  
start: November 1993 \$ 51,850  
*Results published in Critical Care Medicine 24: 10-15, 1996*

Clinical Trial at MCV as Single Institution:

- Triiodothyronine replacement therapy in septic surgical patients. Sponsor: Smith-Kline, Beecham, Inc.  
start: May 1993 \$62,000  
*Results submitted to Journal of Intensive Care Medicine, 1996*

### Intramural funding awards

## Role of cytokines in hemorrhagic shock mortality

Virginia Commonwealth University

Grants-In-Aid program

Award date: 1991

\$ 7,000

# Characterization of Splanchnic Vascular Dysfunction in Hemorrhagic Shock

Virginia Commonwealth University

John B. Foote Grant for Research in Cardiovascular Disease

Co-investigator: Joseph M. Dalton, MD

Award date: 1993

\$ 9,000

**Invited Faculty/ Lectures:**
