

NAME: David Michael Grischkan, M. D., A. C. S.

BIRTHDATE: July 31, 1948

ADDRESS: 2480 Cedarwood
Pepper Pike, Ohio 44124

TELEPHONE: Home: 461-7329
Office: 591-1420

STATUS: Married, four children

ACTIVITIES: Tennis, Swimming, Jogging (Completed Cleveland Heartathon
13.1 Miles, 1978, 1979), Chess

DEGREES AND
TRAINING: College: McGill University 1966-1970
Montreal, Canada
B.S. (Biochemistry)
Medical School: McGill University 1970-1974
Montreal, Canada
Internship: McGill University Hospitals (Surgery)
Montreal, Canada (1974-1975)
Residency: McGill University Hospitals (Surgery)
Montreal, Canada 1975-1976
Cleveland Clinic Foundation (Surgery)
Cleveland, Ohio 1976-1979

LICENSURE: Canada- 1976
Ohio- 1979

SOCIETIES/
AWARDS: (1) President of McGill University Interns and Residents
Association, 1974-1975
(2) Diplomate, Medical Council of Canada
July, 1975
(3) Diplomate, National Board of Medical Examiners
July, 1976
(4) Certificate of Merit, Ohio Chapter, American
College of Surgeons
May, 1978
(5) Fellow, American College of Surgeons (F.A.C.S.)
1981
(6) Fellow, International College of Surgeons
(7) Cleveland Surgical Society
(8) American Society of Parenteral and Enteral Nutrition
(9) American Society of Abdominal Surgeons
(10) Cleveland Academy of Medicine

APPOINTMENTS:

- (1) Attending Physician, Hillcrest Hospital
- (2) Attending Physician, Huron Hospital
- (3) Associate Director of Surgical Education, Huron Hospital
- (4) Chief, Division of Hyperalimentation, Huron Hospital
- (5) Attending Physician, Mt. Sinai Hospital
- (6) Director, Physicians Surgeons Assistant Program, Cuyahoga Community College, 1981-1982

RESEARCH:

- (1) Pancreatic response to elemental diet (Flexical) at Department of Experimental Surgery, McGill University, Montreal, Canada, 1971.
- (2) Study of body composition and nutritional parameters using isotope dilution techniques at Surgical Research Laboratories, Royal Victoria Hospital, McGill University, Montreal, Canada, 1975-1976
- (3) Study of body cell mass and supporting fluid compartments in patients following hyperalimentation at the Cleveland Clinic Foundation, Cleveland, Ohio, 1976-1977
- (4) Extensive investigation of metabolic response to various enteral and parenteral feedings using isotope techniques in a rat model at the Cleveland Clinic Foundation, Cleveland, Ohio 1977-1979 (ongoing)

PRESENTATIONS:

- (1) Cleveland Surgical Society-Research Forum, Cleveland, Ohio, January 1978
- (2) American Society for Parenteral and Enteral Nutrition, Houston, Texas, February, 1978
- (3) Cleveland Surgical Society-Research Forum, Cleveland, Ohio, January 1979
- (4) American Society for Parenteral and Enteral Nutrition, Boston, Massachusetts, February, 1979
- (5) University of Florida, Miami, Florida September 1979
- (6) Cleveland Surgical Society-Research Forum, Cleveland, Ohio January 1979
- (7) Hyperalimentation Symposium, St. Vincent Charity Hospital, Cleveland, Ohio, September 1980
- (8) Cleveland Surgical Society-Research Forum, Cleveland, Ohio, January 1981
- (9) Cleveland Regional Intravenous Therapy Association, Cleveland, Ohio, April 1981

PRESENTATIONS:
(CONTINUED)

- (10) Ohio Health Practitioners Conference, Cleveland,
Ohio
September , 1981
- (11) Euclid General Hospital Hyperalimentation Seminar
May 1982
- (12) Gastric Stapling-indications and results
Hillcrest Hospital, Cleveland, Ohio
July, 1984
- (13) Hernia Symposium, Television Station WVIZ
Cleveland, Ohio October 1985
- (14) Hernia Surgery (Part One)
Radio Station WERE
April 1988
- (15) Hernia Surgery (Part Two)
Radio Station WERE
July 1988
- (16) Current Surgery
John Carroll University
November 1988
- (17) Pfizer Laser Symposium
Instructor and lecturer
July 1989
- (18) Hernia Surgery
TV 23, Akron, Ohio
June 19, 1990
- (19) Laser Update-Horizons in Hernia Surgery
Atlanta, Georgia
March 1990
- (20) Hernia Surgery
TV 3, Cleveland, Ohio
January 1991
- (21) Hernia Repair-Mesh vs Non-Mesh
Pittsburgh, Pennsylvania
July 1991
- (22) Hernia Repair Mesh vs Non-Mesh
Sacramento, California
September 1991
- (23) Rational Approach To Hernia Surgery
Tuscon, Arizona
October 1991
- (24) Rational Approach To Hernia Surgery
Phoenix, Arizona
October 1991

CURRICULUM VITAE, PAGE FOUR

PRESENTATIONS:
(CONTINUED)

- (25) The Modified Shouldice Technique
(MST)
Leuven, Belgium
March 20, 1992
- (26) Reinforced Prosthetic Repair of
the Giant Incisional Hernia
Leuven, Belgium
March 21, 1992
- (27) The Modified Shouldice Technique
A Rational Approach to Inguinal
Hernia Repair
Naples, Italy
April 29, 1992
- (28) Comparison of Marlex Mesh and
Goretex Soft Tissue Patch for
The Repair of Inguinal Hernias
St. Vincent Hospitals
Indianapolis, Indiana
May 25, 1993
- (29) The Medial Flap Technique for
the Repair of Inguinal Hernias
St. Vincent Hospitals
Indianapolis, Indiana
May 25, 1993
- (30) University of Pennsylvania
Presbyterian Hospital
Grand Rounds
July 10, 1995
- (31) St. Barnabas Hospital
New York
Grand Rounds
December 6, 1996
- (32) University of Pennsylvania
Graduate Hospital
Grand Rounds
December 7, 1996
- (33) University of California
Santa Barbara
Grand Rounds
April 2, 1997
