

MARTIN I. RESNICK, M.D

CURRICULUM VITAE

RESIDENCE:

36 Lyman Circle
Shaker Heights, Ohio 44122

PHONE:

(216) 831-4089

DATE AND PLACE OF BIRTH:

January 12, 1943
Brooklyn, New York

SOCIAL SECURITY NUMBER:

072-34-5831

WIFE:

Vicki Ann Resnick

CHILD EN:

Andrew Howard Resnick - (4-10-69)
Jeffrey Scott Resnick - (5- 8-71)

UNDERGRADUATE EDUCATION:

Alfred University
Alfred, New York - B.A., 1964

MEDICAL EDUCATION:

Bowman Gray School of Medicine
Winston-Salem, North Carolina
M.D., 1969

GRADUATE EDUCATION:

George Washington University
Washington, D.C.
1964-1965

Northwestern University
Chicago, Illinois M.S., 1973

INTERNSHIP:

University Hospitals of Cleveland
Cleveland, Ohio
July 1, 1969 - June 30, 1970

RESIDENCIES:

Junior Assistant Resident
University Hospitals of Cleveland
Surgery, July 1, 1970 - June 30, 1971

Resident in Urology
Northwestern University Medical Center
July 1971 - June 1975

RESEARCH EXPERIENCE:

U.S.P.H.S. Trainee in Urology
July 1, 1972 - June 30, 1973

ACADEMIC APPOINTMENTS

- Instructor in Urology - Northwestern University Medical School
July 1, 1974 - June 30, 1975
- Instructor in Urology - Bowman Gray School of Medicine
July 1, 1975 - June 30, 1977
- Assistant Professor in Urology - Bowman Gray School of Medicine
July 1, 1977 - June 30, 1979
- Associate Professor in Urology - Bowman Gray School of Medicine
July 1, 1979 - August 31, 1981
- Professor and Chairman in Urology - Case Western Reserve University School of Medicine
September 1, 1981 - present

HONORS and AWARDS:

Alpha Omega Alpha - 1969
Mosby Scholarship Award - 1969
First Prize, Residents Essay Contest
Chicago Urological Society - 1973
Traveling Fellow, North Central Section
American Urological Association 1971, 1973
Second Prize Essay, American Urological
Essay Contest - 1974
Third Prize, Residents Essay Contest
Chicago Urological Society - 1974, 1975
American Urological Association
Research Fellowship, 1976 - 1978
Second Prize Exhibit, Ultrasonography
of the Bladder and Prostate, American
Urological Association, Los Vegas,
Nevada - May 16-20, 1976
Cine Gold Medal - Movie: "Surgical Anatomy of the
Kidney and Its Clinical Application", May, 1979
Physician's Recognition Award, 1980
Outstanding Scientific Exhibit Award, South
Central Section AUA Association, Kansas City,
Missouri, October 12-15, 1980
Third Prize Exhibit, Real Time Sonography in
Congenital Cystic Disease, American Urological
Association, Boston, Massachusetts, May 10-14,
1981

CERTIFICATION

National Board of Medical Examiners (#107326) - 1970
American Board of Urology - 1977

STATE LICENSURE

Ohio (#32355) - 1970
Illinois (#36-46507) - 1972
North Carolina (#20331) - 1975

MEDICAL SCHOOL ACTIVITIES - Case Western Reserve University School of Medicine

1. Executive Counsel - Department of Surgery 1981 - present
2. Institutional Review Board - University Hospitals 1981 - present
- 3.. Tissue Committee - University Hospitals-1981 - present
4. Chairman, Promotions & Tenure Committee, Department of Surgery 1981 - present

MEDICAL SCHOOL ACTIVITIES - Bowman Gray School of Medicine

1. Intramural Research Committee -- 1976-1979
2. Medical Records Committee -- 1976-1978
3. Secretary-Treasurer Alpha Omega Alpha -- 1977-
4. Infection Control Committee -- 1978-1979
5. Medical Audit Committee -- 1979-
6. Oncology Research Center -- 1977
7. Executive Committee - Center for Medical Ultrasound -- 1976-
8. Education Committee - Center for Medical Ultrasound -- 1978-
9. Committee on Research and Development - Center for Medical Ultrasound
-- 1977
10. Committee on Accreditation and Clinical Care - Center for Medical
Ultrasound -- 1978
11. Transplantation Committee -- 1978-
12. Executive Committee of "Short-Term Training: Students in
Professional Schools" Grant # 1T35 AM 07400-01 -- 1979-
13. Continuing Education and Lectureships -- 1980-

NATIONAL ORGANIZATIONS

1. American Urological Association Continuing Education Committee 1982 - 1986
2. National Kidney Foundation Research and Fellowship Committee 1984 - 1986
3. Ad Hoc Committee to Study Feasibility of Including Genital Tract in Urology 1984 - 1985
4. Ad Hoc Committee to Study Safety and Clinical Effectiveness of Current Technology of 1) Percutaneous Lithotripsy, and 2) Non-Invasive Lithotripsy 1984 - 1985
5. Medical Advisory Board of the Council on Urology of the National Kidney Foundation. 1984.

OTHER ACADEMIC ACTIVITIES:

1. Abstracter - International Abstracts of Surgery,
Surgery Gynecology and Obstetrics
2. Manuscript - Journal of Urology
Reviewer Investigative Urology
3. Editorial - The Prostate
Board
4. Editorial - American Journal of Kidney Diseases
Board
5. Editorial - World Journal of Urology
Board

FUNDED RESEARCH:

1. Urinary Macromolecules and Renal Lithiasis - AM20066
National Institute Arthritis, Metabolic and Digestive Disease
National Institutes of Health
1977-
2. Ultrasonography in the Evaluation of Prostatic Cancer - CA20118
National Prostatic Cancer Project
National Cancer Institute
National Institutes of Health
1976-1979
3. Evaluation of Probuco1 in the Treatment of Benign Prostatic Hyperplasia
Dow Chemical Company
Indianapolis, Indiana
1978-
4. Primate Models of Age Associated Conditions of Humans - AG01893
National Institute of Aging
National Institutes of Health
1980-
5. Safety & Efficacy of Allopurinol in Idiopathic Calcium Oxalate
Stone Formers
Burroughs Wellcome Company
Research Triangle Park, N. C.
1978-
6. A Multicentric Blind Evaluator Study Comparing Efficacy and
Tolerance of Netilmicin and Tobramycin in Patients with Complicated
and/or Recurrent Urinary Tract Infections
Schering Corporation
Bloomfield, New Jersey
1980
7. Clinical Study of the Safety, Efficacy and Endocrinological Effects
of Abbott-43818 in the Treatment of Prostatic Adenocarcinoma.
Abbott Laboratories
North Chicago, Illinois
1980
8. Prophylaxis of Chronic Urinary Tract Infections in Women Using Nalidixic Acid
Winthrop Laboratories
90 Park Avenue
New York, N.Y.
1981
9. Clinical Study of the Safety and Efficacy of Leuprolide (Abbott - 43818) versus
DES in the Treatment of Stage D-2 Prostatic Adenocarcinoma (A Conditional Cross-over
Study of Previously Untreated Patients)
Abbott Laboratories
North Ch'icago, Illinois
1981
10. A Randomized, Open, Study Comparing the Efficacy and Tolerance of Parenteral
Piperacillin Sodium with that of Cefamandole Naftate in the Treatment of Infections
Caused by susceptible Pathogenic Bacteria
Lederle Laboratories
Pearl River, N.Y.
1982

11. A Single, Blind, Multicenter, Parallel Group Study to Compare the Safety and Efficacy of 28 Day Course of Minocycline or Cephalexin in the Treatment of Bacterial Prostatitis
Lederle Laboratories
Pearl River, N.Y.
1982
12. A Randomized Comparative-Trial of Megestrol Acetate versus Diethylstilbestrol in Stage D₂ Prostate Cancer. Bristol Laboratories, Syracuse New York. 1984.

EDITORSHIPS:

1. Urology Clinics of North America - Advances in Imaging Techniques. Vol 6, No 2, June 1979.
2. Urology Clinics of North America - Advances in Laboratory and Intraoperative Diagnostic Techniques. Vol 6, No 3, October 1979.
3. Ultrasound in Urology - Roger C. Sanders, Co-Editor. Williams & Wilkins, Baltimore, Maryland. November 1979.
4. Urology Rounds - Diagnosis and Management of Renal Calculi. Vol 1, No 3, 1979.
5. Current Trends in Urology Vol 1. Williams and Wilkins, Baltimore, Maryland. December 1980.
6. Diagnosis of Genitourinary Disease. Robert A. Older, M.D., Co-Editor. Thieme-Stratton Inc., New York. 1982.
7. Surgical Anatomy of the Human Kidney - Michael Parker, Co-Editor. Futura Publishing Co. Mt. Kisco, New York
8. Current Trends in Urology Vol 2. Williams and Wilkins, Baltimore, Maryland. April 1982
9. Section Editor - Benign Prostatic Hypertrophy - Frank Hinman, Jr. Editor. Springer-Verlag. New York, New York 1983.
10. Urology Clinics of North America - Symposium on Surgery of Stone Disease. Vol 10, No 4, November 1983.
11. Ultrasound in Urology - Second Edition. Roger C. Sanders, Co-Editor. Williams and Wilkins, Baltimore, Maryland, 1984.

FILMS AND TAPES:

1. "Urinary Tract Calculi"
Network for Continuing Medical Education
January 1976.
2. "Update: Evaluation of the Recurrent Stone Forming Patient"
March 1978

American Urological Association
Washington, D. C., May 21-25, 1978
3. "Ultrasound in Urology"
December 1978

Southeastern Section of the American Urologic Association
Memphis, Tennessee, April 1979.

American Urological Association Meeting
New York, New York, May 13-17, 1979.

South Central Section, American Urological Association
Colorado Springs, Colorado, October 8-12, 1979.
4. "Surgical Anatomy of the Kidney and Its Clinical Application"
May 1979

American Urological Association Meeting
New York, New York, May 13-17, 1979.

South Central Section, American Urological Association
Albuquerque, New Mexico, October 7-11, 1979.

American College of Surgeons
Chicago, Illinois, October 22-26, 1979.
5. "Anatrophic Nephrolithotomy in Patients with Bilateral Staghorn Calculi". ,Audio-Digest Urology, Vol 2, #6, June 1979.
6. "Transrectal Ultrasonography in Evaluating Prostatic Carcinoma".
Audio-Digest Urology, Vol 2, #8, Aug. 1979.
7. "Nonspecific Urethritis"
Audio-Digest Urology, Vol 3, #9, Sept. 1980
8. Stone Disease in Children, Audio Digest Urology, Vol. 3, No. 11, 1980.
9. Proteins and Calculogenesis. AUA-Roche Consultant Urologist.

Bladder Neck Obstruction in Carcinoma of the Prostate. AUA-Roche
Consultant Urologist.
11. Evaluation of the Renal Stone Patient. Eaton-NETVN Series, 1981.

12. Systemic and Percutaneous Chemolysis of Renal Stones. Audio Digest - Urology Vol. 7, No. 12.

EXHIBITS:

1. Gray Scale Technique of Pelvic Organ Ultrasonography
American Institute of Ultrasound and Medicine
Winston-Salem, North Carolina - October 4-9, 1975.
First Prize
2. Ultrasonography of the Bladder and Prostate
 - A. American Urological Association
Las Vegas, Nevada, May 16-20, 1976.
Second Prize
 - B. First World Federation of Ultrasound in Medicine and Biology
San Francisco, California, August 2-8, 1976.
 - C. American College of Surgeons
Chicago, Illinois, October 11-15, 1976.
3. Mini-Exhibit: "Effect of Prolactin Inhibition on Hormonally Induced Growth: Spherical Calcium Bodies in Stone Forming Urine.
American Urological Association, Chicago, Illinois, April 24-28, 1977.
4. Mini-Exhibit: "Hormonal Manipulation and Its Effect on the Protein Electrophoretic Patterns of Canine Prostatic Fluid".
American Urological Association, Washington, D. C., May 21-25, 1978.
5. Mini-Exhibit: "Low Molecular Weight Urinary Proteins and Renal Lithiasis". American Urological Association, Washington, D. C.
May 21-25, 1978.
6. Surgical Anatomy of Human Kidney
American Urological Association, San Francisco, California
May 18-22, 1980.
7. Mini-Exhibit: "Calcium Binding Proteins and Renal Lithiasis"
American Urological Association, San Francisco, California
May 18-22, 1980.
8. Poster Exhibit: "Characterization of Prostatic Proteins by Isoelectric Focusing and Electrophoresis". American Urological Association, Inc.
Boston, Massachusetts, May 10-14, 1981.
9. Poster Exhibit: "Real-Time Sonography in Congenital Cystic Kidney Disease". American Urological Association, Boston, Massachusetts.
May 10-14, 1981.
10. Real-Time Sonography in Congenital Cystic Kidney.
American Urological Association, Boston, Massachusetts.
May 10-14, 1981.
11. Percutaneous Manipulation for the Disadvantaged Ureteroileostomy. American Urological Association, Kansas City, May 16-20, 1982.
12. Poster Exhibit: "Computerized Axial Tomography and the Assessment of Renal Trauma and its Sequelae". Lester Persky, Martin I. Resnick and John Haaga. American Urological Association, Kansas City, Missouri, May 16-20, 1982.

13. Poster Exhibit: "Combined Vesicovaginal and Ureterovaginal Injuries". Lester Persky and Martin I. Resnick. American Urological Association, Kansas City, Missouri, May 16-20, 1982.
14. Poster Exhibit: "Arteriosclerosis and Penile Gangrene". Lester Persky, Martin I. Resnick and Nehemia Hampel. American Urological Association, Kansas City, Missouri, May 16-20, 1982.
15. Poster Exhibit: "Pyeloplasty after Percutaneous Nephrostomy - A Therapeutic Challenge". Lester Persky, Nehemia Hampel, Kailash R. Kedia and Martin I Resnick. American Urological Association, Kansas City, Missouri, May 16-20, 1982.
16. Poster Exhibit: "Urinary Incontinence in the Female Octogenarian". Lester Persky, Martin I. Resnick and Nehemia Hampel. American Urological Association, Kansas City, Missouri, May 16-20, 1982.--

 2. Staging of Bladder Tumors by Transrectal Scanning,
 3. Detection of EARly Prostatic Cancer,

- 60 Second Meeting of the World Federation of Ultrasound in Medicine and Biology, Miyazaki, Japan - July 22-27, 1979.
1. Transrectal Ultrasonography in the Evaluation of Prostatic carcinoma.
2. Recent Advances in Urologio and Nephrologio Ultrasonowp
61. Stanford University School of Medicine, Standford, California - July 31, 1979. Prostatic Ultrasonography.
- 62 American College of Surgeons, Cancer Registry Workshop, Clumons, North Carolina - September 11-13, 1979.
1. Histopathology and Staging of Prostate and Bladder Cancer.
2. Diagnosis and Treatment of Prostate Cancer.
3. Diagnosis and Treatment of Bladder Cancer.
63. R.O.C.K., Dallas, Texas - November 8-9, 1979.
1. Calcium Binding Protein
2. Treatment of Urinary Calculi
64. Association for Academic Surgery, Great Gorge, New Jersey - November 11-14, 1979. Urinary Calcium Binding Proteins and Renal Lithiasis.
65. North Carolina State Radiological Society, Southern Pines, North Carolina - November 17 and 18, 1979. Renal Stone Disease: A Urologists Viewpoint.
66. Lexington Memorial Hospital, Lexington, North Carolina - November 26, 1979. Prostate Disease.
67. Oncology Seminar, Roswell Park Memorial Institute, Buffalo, New York December 6, 1979. Radiological Tools in the Diagnosis of GU Malignancies.
68. New York Academy of Medicine, Urology Section, New York, New York, January 16, 1980. Anatomic Nephrolithotomy.
69. University of North Carolina, Chapel Hill, North Carolina, January 29, 1980. Treatment of Advanced Prostate Cancer.
- 70 Clinical Urology Postgraduate Course, February 1-2, 1980
Bowman Gray School of Medicine, Winston-Salem, North Carolina
1. Diagnostic Techniques in Patients with Genito-Urinary Malignancies
2. Gonococcal and Non-Gonococcal Urethritis
- 71 Society of University Surgeons, Houston, Texas, February 7-9, 1980.
Calcium Binding Protein in Urine and Renal Urolithiasis.
72. Vail Urological Symposium - Vail, Colorado - February 9-16, 1980.
1. Urolithiasis in Children
2. Pediatrics Ultrasonography
3. Intersex

73. Continuing Medical Education, The Cleveland Clinic, Cleveland, Ohio
March 6 and 7, 1980.
 1. Non-specific Urethritis
 2. Medical Management of the Recurrent Calcium Stone Former
 3. Medical Management of the Uric Acid Stone Former
74. Family Medicine Review Course, March 19, 1980
Bowman Gray School of Medicine, Winston-Salem, North Carolina.
Urology.
75. Southeastern Section American Urological Association, Inc.,
San Juan, Puerto Rico - March 23-27; 1980.
 1. Panelist - Evaluation of Renal Anatomy and Function
 2. Discussion - Ultrasonography
76. Cook County Postgraduate Course - Specialty Review in Urology
Chicago, Illinois - April 7-11, 1980.
 1. Ultrasound in Urology
 2. Non-Specific Urethritis
 3. Urolithiasis - Surgical Aspects
77. Guest Lecturer, Maryland Urologic Society, Baltimore, Maryland
April 12, 1980.
 1. Renal Stone Surgery
 2. Imaging Techniques in Urologic Malignancies
78. University of Wisconsin School of Medicine, Madison, Wisconsin -
May 1, 1980. Treatment of Carcinoma of the Prostate.
79. Wisconsin Urological Society, Madison, Wisconsin - May 2-3, 1980
Anatrophic Nephrolithotomy and Medical management of renal stones.
80. Western Michigan Urological Association, Holland, Michigan - May 7,
1980.
 1. New Imaging techniques in Urology
 2. Medical and surgical aspects of urinary stone disease
81. American Urological Association, San Francisco, California
May 18-22, 1980.
 1. Participated in postgraduate course - Urolithiasis
 2. Participated in Endocrine Forum - Laboratory evidence
for endocrine effect
 3. Horseshoe Kidney and Renal Lithiasis
 4. Calcium Binding Proteins and Renal Lithiasis
82. Northwestern University Medical School, Chicago, Illinois
June 6-7, 1980. Clinical Problems in Urology
 1. Pediatric Ultrasonography
 2. Stone Diseases in Children
 3. Ultrasound
 4. Surgery of Difficult Upper Urinary Stones
 5. Intraoperative Localization of Stones

83. Fourth International Symposium on Urolithiasis Research, Williamsburg, Virginia. June 22-26, 1980. Urinary Calcium Binding Proteins and Renal Stone Disease.
84. National Prostatic Cancer Project Workshop, Paris, France June 30 - July 2, 1980
 1. Non-Invasive and Pre-Operative Techniques
 2. Ultrasonography
85. Urological Association of South Africa, Durban, South Africa August 10 - 15, 1980.
 1. New Imaging Techniques As They Relate to Urological Malignancies
 2. Stone Matrix and Current Research on Calcium Binding Proteins.
 3. Anatomic Nephrolithotomy
 4. Chairman of Panel Discussion on the Practical Cost Effective Work-up of the Stone Forming Patient.
86. Illinois State Urological Society Meeting, Champaign, Illinois. September 5 - 6, 1980. Guest Lecturer
 1. Pediatric Urolithiasis
 2. Theories of Urinary Stone Formation
 3. Anatomic Nephrolithotomy
87. R.O.C.K. Society Meeting, Chicago, Illinois. October 5 - 7, 1980 Effect of Urinary Ion Binding Proteins on Crystallization.
88. Surgical Forum, American College of Surgeons, Atlanta, Georgia. October 19 - 24, 1980. Urinary B2 Microglobulin Excretion and Renal Lithiasis.
89. AUA Subject Oriented Seminar - Prostate Cancer Today, Atlanta Georgia. November 6 - 8, 1980. Non-Invasive Techniques.
90. Current Concepts in Urology Seminar sponsored by The Hahnemann Medical College - ss Volendam. December 5 - 14, 1980.
 1. Renal lithiasis: Current views on pathogenesis and patient evaluation.
 2. Medical treatment of renal lithiasis.
 3. Renal stones surgery - hypothermia techniques.
 4. Staghorn calculi - Current views on management.
 5. Stone basketry - indications, techniques, complications and results.
 6. Rare stones disease.
 7. Urodynamic Tests: Uroflowmetry.
91. Clinical Urology Postgraduate Course, January 30-31, 1981 Bowman Gray School of Medicine, Winston-Salem, North Carolina
 1. Renal Calculus Surgery
 2. Medical Management of Urinary Calculi

92. American Urological Association Symposium on Urolithiasis, San Diego, California. March 5-7, 1981.
 1. Heredity and Risk of Urolithiasis
 2. Matrix
 3. Anatomic Nephrolithotomy
 4. Allopurinol for Hyperuricosuria
93. Vail Urological Symposium, Vail, Colorado. March 9-13, 1981.
 1. Evaluation of Impotent Male
 2. Anatomic Nephrolithotomy
 3. Imaging in Urologic Malignancies
94. Sixth Annual Family Medicine Program Review Course, Bowman Gray School of Medicine, Winston-Salem, North Carolina. March 16-20, 1981. Urology.
95. A.U.A.A. Piedmont Chapter Seminar on Stone Disease, Danville, Virginia. March 21, 1981. Endoscopic and Surgical Management of Stones.
96. Visiting Professor in Urology, University of Washington, Seattle, Washington. April 14-16, 1981. Surgery Staghorn Calculi.
97. Visiting Professor in Urology, University of Cincinnati Medical Center, Cincinnati, Ohio. April 20-21, 1981. Aids to Anatomic Nephrolithotomy.
98. Urology Symposium, Catholic Medical Center, Manchester, New Hampshire. April 22, 1981.
 1. Urinary Calculi
 2. Ultrasound in Urology
99. Specialty Review in Urology, Cook County Graduate School of Medicine, Chicago, Illinois. April. 24, 1981.
100. Lexington Memorial Hospital, Lexington, North Carolina. April 27, 1981. Management of Kidney Stones.
101. North Carolina Medical Society, Pinehurst, North Carolina- May 8, 1981. Benign Prostatic Hyperplasia.
102. American Urological Association, Inc., Boston, Massachusetts. May 10-14, 1981.
 1. Inhibitory Effect of Urinary Calcium Binding Substances on Calcium Oxalate Crystallization
 2. Magnesium Excretion and Urolithiasis
 3. Evaluation and Management of the Cystine Stone Former
 4. Chairman of Research Forum on Urolithiasis
103. American Urological Association, Summer Clinical Series. Chicago, Illinois. July 31 - August 1, 1981. Calcium Stone Disease and Surgery of Renal Calculi.

104. South Central Section, American Urological Association, Dallas, Texas. September 13-16, 1981. Surgical Treatment of Large Staghorn Calculi.
105. Piedmont Oncology Association Annual Conference, Winston-Salem, North Carolina. October 14, 1981. Sperm Banking for the Person with Carcinoma.
106. Chicago Urological Society Meeting, Chicago, Illinois. November 4, 1981. Evaluation of the Patient with Urolithiasis; Operative Localization of Renal Calculi; Surgery for Staghorn Calculi.
107. BPH and Prostatic Cancer - Update on Transurethral and Nonsurgical Treatment, Charlotte, North Carolina. November 10, 1981. Prostate Imaging.
108. Northwestern Ohio Urologic Society. November 11, 1981. Toledo, Ohio. Renal Calculus Surgery.
109. Medical College of Ohio, Visiting Professor, Division of Urology, Toledo, Ohio. November 12, 1981.
110. The Cleveland Urological Society, Cleveland, Ohio. November 18, 1981. Medical Evaluation and Treatment of Renal Lithiasis.
111. Clinical Urology Post Graduate Seminar, Bowman Gray School of Medicine, Winston-Salem, North Carolina. January 22, 1982. Prostatic Cancer.
112. Fifth Annual Vail Urology Conference, Vail Colorado. February 6-13, 1982. Enuresis and Urinary Incontinence in Children; Sperm Banking.
113. Ninth Annual Selected Topics in Urology, University of Florida School of Medicine, Gainesville, Florida. February 26-27, 1982. Basics of the Anatomic Nephrolithotomy; Non-Specific Urethritis as it Pertains to Urology.
114. American Association of Genitourinary Surgeons, Palm Springs, California. March 25 - 27, 1982. Clinical Study of the Efficacy of Probucole in the Treatment of Benign Prostatic Hyperplasia.
115. Seminar on Genitourinary Oncology, Cleveland, Ohio, April 3, 1982. The Role of Newer Imaging Techniques in the Diagnosis of Testicular Tumors.
116. Visiting Professor, West Virginia University School of Medicine, Morgantown, West Virginia, April 8-9, 1982. Medical and Surgical Management of Urolithiasis.
117. Specialty Review in Urology, Cook County Graduate School of Medicine, Chicago, Illinois. April 22, 1982. Medical Management of Urinary Stones; Ultrasonography and Genitourinary Malignancies.
118. Guest Lecturer - Mexico Urological Society, Veracruz, Mexico. May 2-5, 1982. Surgical Management of Urinary Stones; Prostate Ultrasonography.
119. Trauma Update '82, Case Western Reserve University School of Medicine, Cleveland, Ohio. June 11, 1982. Urologic Complications of Pelvic Fractures.
120. BPH and Prostatic Cancer - Update on Transurethral and Nonsurgical Treatment. Cleveland, Ohio. June 17, 1982. Hormonal Therapy for Carcinoma of the Prostate.

121. Visiting Professor - Roswell Park Memorial Institute, Buffalo, New York.
July 8, 1982.
122. Medical Surgical Symposium - Urology Update - St. Elizabeth Hospital Medical Center, Youngstown, Ohio. Advances in Stones. August 26, 1982.
123. Nephrology Update 1982 - Case Western Reserve School of Medicine, Cleveland, Ohio, October 7, 1982. Urologic Evaluation of Patients with Urinary Tract Infection.
124. Advanced Annual Seminar in Urologic Surgery - Urinary Tract Calculi and Infections - University of California, San Francisco, California. Oct. 14-16, 1982
125. Southern Medical Association - Guest Speaker - Intraoperative Localization of Calculi; Evaluation of the Renal Mass, Ultrasonography of the Bladder and Prostate. Atlanta, Georgia. October 30 - November 2, 1982.
126. Symposium for Nurses on The Child with Myelodysplasia-Hydrocephalus: The Team Approach and New Trends in Care - Urologic Care of the Myelodysplasia-Hydrocephalus Patient. Cleveland, Ohio. November 9, 1982.
127. Visiting Professor - Dalhousie University, Halifax, Nova Scotia - Management of Advanced Prostate Cancer - Evaluation of the Patient with Stone Disease - Ultrasound in the Assessment of Bladder and Prostate Cancer. November 11-12, 1982
128. Visiting Professor - New York Medical College, Valhalla, New York, January 12, 1983.
129. Visiting Professor - Long Island Jewish-Hillside Medical Center, New Hyde Park, New York, January 13, 1983.
130. Sixth Vail Urological - 1. New Imaging Techniques in Urologic Malignancies.
2. Hormonal Therapy for Carcinoma of the Prostate. Vail, Colorado, Feb. 21-25, 1983.
131. Guest Lecturer - Michigan Urological Society - Visiting Professor - Henry Ford Hospital, Detroit, Michigan. March 23, 24, 1984. Evaluation and Management of the Recurrent Stone Former; Treatment of Upper Tract Urinary Stone Disease; Etiology of Renal Lithiasis.
132. Guest Lecturer - Department of Urology, Northeastern Ohio University College of Medicine, Akron, Ohio. May 4, 1983
133. Guest Lecturer - Topics in Urology, Fresno California, Evaluation and Management of Urolithiasis. June 4, 1983.
134. American Urological Association - Las Vegas, Nevada, April 17-21, 1983,
135. Cook County Specialty Review Course, Chicago, Ill., Non-Specific Urithritis and Surgical and Medical Management of Urinary Lithiasis, April 25, 1983.
136. Urological Research Society - Wurtzburg, West Germany, Glycosaminoglycans and Urinary Lithiasis. June 27-28, 1983.
137. First International Symposium on Bladder Tumors - Paris, France, Nuclear Magnetic Resonance Scanning and Bladder Cancer. July 4-6, 1983,
138. Fourth Leadbetter Symposium - Urolithiasis. August 18-20, 1983. Minneapolis, Minnesota. Importance of Matrix in Stone Formation, Fate of the Unoperated Staghorn Calculus. Use of Ultrasound, Radiography and Pyeloscopy for the Intraoperative Localization of Calculi. Simple and Anatomic Nephrolithotomy.

139. Thirteenth International Congress of Chemotherapy - Use of Penicillins in the Treatment of Urinary Tract Infections. Vienna, Austria August 28-September 2, 1983.
140. George Slotkin Lecturer - Annual Meeting Northeastern Section - American Urological Association, Quebec City, Quebec. September 11-14, 1983. Changing Concepts and Managing of Renal Calculi.
141. AUA Sponsored Super Seminar - Surgical Therapy of Urinary Tract Calculi. Norfolk, Virginia. September 17, 1983.
142. International College of Surgeons - Use of Nuclear Magnetic Resonance in the Study of Urologic Malignancies - Percutaneous Manipulations of the Kidney. Cleveland, Ohio. September 25-28, 1983.
143. Visiting Professor - Division of Urology - Ohio State University School of Medicine, Columbus, Ohio, January 27-28, 1984. Talks on NMR Imaging in Urology and Surgical Management of Stone Disease.
144. Lawrence M. Aronberg Visiting Professor of Urology - Washington University School of Medicine. Talks on Metabolic Evaluation and Medical Management of Urinary Calculi and Changing Concepts in the Management of Upper Urinary Stone Disease. February 10-11, 1984.
145. Fourteenth Annual Urologic Symposium - Advances in Urology, Cleveland Clinic Cleveland, Ohio. March 8, 1984. Evaluation and Medical Management of Renal Calculi and Chemolysis of Renal Stones.
146. Fifth International Urolithiasis Research Symposium. April 1-5, 1984. Garmisch-Parkenskirchen, West Germany. Substances in Urine with Affinity to Stone Forming Constituents.
147. Controversies in Prostatic Carcinoma. April 7, 1984. Columbia University College of Physicians and Surgeons. Early Endocrine Management of Carcinoma of the Prostate.
148. Northeastern Ohio Ultrasound Society. May 1, 1984. Transurethral and Transrectal Ultrasonography. Cleveland, Ohio.
149. American Urological Association. May 6-10, 1984. New Orleans. Physical Principles in Nuclear Magnetic Resonance Imaging. Postgraduate course in Imaging in Urology (Nuclear Magnetic Resonance Imaging and Transurethral Ultrasound) and Urinary Calculus Disease (Evaluation of the Patient with Calcium Oxalate Urolithiasis). Poster Exhibits - Glycosaminoglycans - Excretion - Methodology and Prostacyclin (PGI₂) and PGI₂ Analogues,
150. Urologic Research Society. May 11-12, 1984. Durham, North Carolina, Glycosaminoglycans and Urinary Lithiasis.
151. Ninth International Congress of Nephrology, Los Angeles, California. June 12, 1984. Panel Discussion, Urinary Inhibitors of Calcium Oxalate Crystalization. Glycosaminoglycans.
152. Research and Clinical Application of NMR in Cancer. June 20-22, 1984, New Orleans, Louisiana. Nuclear Magnetic Scanning of the Prostate.
153. North Central Section American Urological Association. September 19-22, 1984. Cedar Rapids, Iowa. Changing Concepts in Urinary Stone Disease. NMR Imaging. Pattern of Urinary Symptoms in Patients with Metastatic Bladder Cancer. Synchronous Pelvic Lymphadenectomy and Perineal Prostatectomy.

154. Roerig Lecturer. New York Section of American Urological Association. Oct. 8-14, 1984. Medical Management and Overview of Urolithiasis. The Role of Open Stone Surgery in 1984. Urologic Ultrasound - State of the Art. Nuclear Magnetic Resonance Imaging. Athens, Greece.
155. American College of Surgeons. San Francisco, California. October 23, 1984. Panel discussion - Judgement and State of the Art of Surgery for Stone Disease. - Indications for surgery and its present role.
